At Spa Naturel Fitness, we are dedicated to putting your wellbeing at the heart of everything we do. We have created a space to escape the everyday and find a moment of relaxation, helping you to unwind, de-stress and feel totally refreshed. We do this by infusing quality through every decision we make. We treat each member and every guest as individuals. We are passionate about personalising our service at every point, from tailoring our consultations to ensuring that every treatment is unique.

Steam Room

Our steam room, has Eucalyptus milk and steam heated to 45°C helping you clear your lungs and breathe easier.

Ice Room

Our ice room is chilled to 8°C and the Ice Fountain produces ice flakes to be rubbed on the body along with an ice cold shower which stimulates circulation and facilitates the cooling of the body.

Relaxation Room

An oasis of calm. This quiet sanctuary is a designated area taking in the sounds of running water and relaxing music to help you slip away into pure relaxation.

Spa Lounge

Enjoy time with friends and catch up on each other's gossip with a coffee or even better a glass of prosecco.

Hot stones work to relax the mind, ease muscle tension, reduce aches and pains and are placed along the chakras to open up energy pathways. Available for either the full body or our 30 minute option for a one area targeted massage.

Deep Tissue Muscle Energiser

25 minutes £55 / 50 minutes £80

Deep Tissue is not only a firm massage with more pressure, but a range of techniques to work on the deeper layers of muscle and connective tissue to release chronic patterns of tension. It involves working beneath superficial layers, to the layers of muscle and tissue, using slow, sustained, deep pressure focusing on one or two areas of the body.

We have to work slowly but deeply into the muscle layers and fibres to relieve pressure once the muscles have been thoroughly warmed and relaxed, as to avoid a painful and ineffective massage. The results are aided by the use of ishga's Muscle Recovery Oil containing a powerful blend of anti-inflammatory seaweed extract, eucalyptus, rosemary and peppermint to boost circulation and break down lactic acid.

If you desire a full body massage, we recommended booking a 50-minute treatment duration.
